

Switch DDS

Customized Support

WHO WE ARE

SwITchDDS is a dental IT support company that provides certified trained team members.

We enable business growth at an affordable and scalable environment while producing career opportunities.

We help transform your business performance by providing virtual support teams.

MISSION STATEMENT

A photograph of three call center agents wearing headsets, smiling and talking. The image is overlaid with a blue semi-transparent rectangle. The background of the slide features a light blue circuit board pattern on the right side.

OUR WHY

“Delivering Excellence in Support while making you Smile with an Affordable Solution.”

A WIN for our clients who benefit from increased efficiency and reduced operational costs.

A WIN for our team members who gain employment and benefits that empower them to provide for themselves and their families.

A WIN for the ministries we support around the world where we donate 51% of profits.
